Course #	Course Title	Units	Session completed	Grade Earned

NOTE:

1. We suggest you consult the advisement sheet and/or AGIS for the music program which may be obtained from the Academic Advisement Office.
2. English and Math general education courses must be taken in sequential order.
3. Theory level will be determined based on placement test for all new students.
4. Applied lesson level will be determined by audition or instructor recommendation.
5. Students must demonstrate computer competency either through testing or by completing a course.
6. Students must pass the foreign language competency test or add 8 credits of a foreign language.
