Miami Dade College
Defense Language Proficiency Test (DLPT)
Effective: May 22, 2019

General Information

Miami Dade College uses the minimum scores, credits, and guidelines for awarding credit for exams established by the State of Florida's Articulation Coordinating Committee (ACC). The chart below indicates how DLPT credit will be utilized at MDC. Students transferring to a public senior institution within the State are assured that DLPT credit will transfer when earned as a part of a completed Associate in Arts degree. However, it is the student's responsibility to contact the senior institution if any question exists concerning the acceptance of DLPT scores.

All interested students are encouraged to see an Academic Advisor before registering for the examinations. Students may earn up to 75% of their degree (or up to 45 semester credits) at MDC through credit-by-exam options. For additional information on DLPT please visit http://www.dliflc.edu/
